### We calculate credits as follows;

Textbook based course, whether digital or print

1 credit = Mastery of 70% or more of material

Online Course

1 credit =Mastery of 70% or more of material

Activity or Project based course

1 credit = 120 Hours

.5 credit = 60 hours

Lab-based course

1 credit = completion of all  
research and labs, according to  
scope & sequence
